

ABOUT TAYLOR'S

Taylor's Education Group (TEG) is one of the most successful and reputable education providers, and a pioneer in private education in Malaysia. With an unsurpassed track record built up over the last five decades, TEG has earned a reputation as the leading private education provider in Malaysia and offers a wide breadth of education from pre-school to postgraduate courses. TEG owns and operates some of Malaysia's premier private colleges and schools: Garden International School, Australian International School Malaysia, Taylor's International School Kuala Lumpur and Puchong, and Nexus International School, Putrajaya.

TEG also owns and operates institutions outside Malaysia namely Nexus International School, Singapore and British University Vietnam in Hanoi. Taylor's core purpose is to educate the youth of the world to take their productive place as leaders in the global community and each of the diverse institutions has become renowned for its teaching excellence and the distinctive qualities of its graduates. This has positioned Taylor's at the forefront of education and continues to provide the impetus for its quest to provide world-class education to students at every level.

CAMPUS FACILITIES

Your future is important to us; therefore, we continuously invest in all aspects of our establishment from service to academic facilities. Taylor's College moved to the world-class Taylor's Lakeside Campus to provide you with the best learning and student-life experience possible.
